## About AES

### President Message

**Shri. Jawahar Shah  
(Waghlikar)**  
President

Anekant Education Society was established in 1961. The Jain philosophy 'Siddhiranekantat' is the motto and "Anekantwad" is the preamble of the society and the college. The society started Baramati College, Baramati in the month of June 1962, later named Tuljaram Chaturchand College of Arts, Science and Commerce. Now, it has more than 10,000 students and almost 320 faculty members. The society also runs another degree college named Jaysingpur College, Jaysingpur, Dist.-Kolhapur, Anekant Institute of Management Studies (AIMS) as well as Anekant English Medium School at Baramati. The Society also established the Centre for Innovative and Applied Research (CIAR) for fundamental research in the areas of current significance. Moreover, the society added a few more feathers to its cap by starting College of Pharmacy (AESCOP) at Baramati which includes Diploma in Pharmacy (D. Pharm) & Bachelor in Pharmacy (B. Pharm). Anekant Education Society is run by Jain community and has been catering to the educational needs of the minority students and others, hence, has been given 'Jain Religious Minority Institute' status by the Government of Maharashtra.

## COLLEGE OF PHARMACY

### Secretary Message

**Shri. Milind Shah**  
(Wagholikar)  
Secretary

Anekant Education Society was established in 1961 to provide students with an avenue for higher studies. Late Fulchandji Gandhi laid the foundation stone of the society and later Late Lalchand Hirachand, Late Jambukumar Chandulal Shah (Sarraf) and Late Shashikant Shah (Lengarekar) all held the esteemed position of being the Chairmanship of the Society. I am happy to communicate to all that Tuljaram Chaturchand College of Arts, Science & Commerce began its journey in 1962 with 119 students. Today it caters to more than 14000 students in different faculties and courses.

We are aware that Indian society is changing its shape rapidly as it faces globalization. This is putting more pressure on higher education but also creating several new avenues of opportunities for our students. Our society has taken upon itself the task by accepting this challenge and is now running several professional and vocational courses along with our regular Under-graduate and Post-graduate programmes. It is our pleasure to announce that the college has received NAAC 'A+' grade at its third cycle of reaccreditation and recently also achieved an 'Autonomous Status' from UGC. This has given us a new platform of academic freedom to tune our syllabi with the current requirements of the industry and society as well.

I am sure that the students of the current and future generations will now be competent to face new challenges and also be ready to grab all the opportunities that come their way. Surely, this will lead to shaping a new vibrant India.

I heartily welcome students of College of Pharmacy to our campus and endorsing his/ her journey of progress and success.

I wish all the success to my fellow students.

### Principal Message

**Dr. Darshan Shah**  
Principal

Welcome friends,

With the motto of '**Siddhiranekantat**', we will strive to contribute to the nation-building ideals by empowering youth through education.

We are loyal to nurturing an effervescent and comprehensive learning atmosphere that inspires excellence in education, research, and professional development. Our primary goal is to prepare our students with the knowledge, skills, and ethical foundation necessary to outclass in the dynamic field of Pharmacy. Now a days rapid growth and transformation was brought in the healthcare system to encash this opportunity our curriculum is planned to acclimate to these changes, assimilating scientific research and pioneering teaching methods. We focus a 'Student-centric' attitude, where active learning, critical thinking, and creativity are at the lead. This approach will prepare our graduates to face challenges uncompromisingly and to become front-runners in their profession.

Thank you. I welcoming you to our campus and countersigning your journey of growth and success.

To impart career-oriented quality education at par with global standard across all fields of academic and research. We will do this by developing various skills of excellence and through inculcation of moral values in the youth with a view to make them responsible citizens of India.

To contribute to nation building by continually empowering the youth through educational and add-on programmes, and inculcating culture by maintaining a multidimensional, holistic approach to life in them.

Our  
Vision

Our  
Mission
