

Anekant Education Society's

COLLEGE OF PHARMACY

(Religious Jain Minority Institute)

Tandulwadi Road, (T. C. College Campus) Baramati, 413102

Approved by PCI, New Delhi & Govt. of Maharashtra, DTE Mumbai

D. Pharmacy Affiliated to MSBTE, Mumbai

B. Pharmacy Affiliated to Dr. Babasaheb Ambedkar Technological University, (DBATU) Lonere.

DTE Code : 16337
MSBTE Code : 22479

✉ principal.aescop@gmail.com 🌐 www.aescop.org ☎ (02112) 222405 📠 7385760708 / 9960899633

Pharmacy Courses in Campus :

D. Pharmacy
(Diploma in Pharmacy / 2 Years /
(60 Seats)
Affiliated to MSBTE / PCI

B. Pharmacy
(Bachelor in Pharmacy for 1st Years /
(100 seats) and Direct Second Year
Affiliated to PCI / DBATU Lonere.

Objective:

1. To produce pharmacist workforce competent for the society.
2. To produce pharmacy graduates with employable skills and high technical competence in pharmaceutical industry and health care sectors.
3. To inculcate research activity and develop passion for discovery and innovations.
4. To develop entrepreneurship qualities that support growth of pharmaceutical intellectual property and contribute for economic development throughout the world.

VISION

To impart career-oriented quality education at par with global standards across all fields of academic and research. We will do this by developing various skills of excellence and through inculcation of moral values among youth with a view to make them responsible citizens of India.

MISSION

To contribute to nation building by continually empowering the youth through educational and add-on programmes, and inculcating culture by maintaining a multidimensional, holistic approach to life in them.

Shri. Jawahar Shah (Wagholikar) - President

Anekant Education Society was established in 1961. The Jain philosophy 'Siddhiranekantat' is the motto and "Anekantwad" is the preamble of the society and the college. The society started Baramati College, Baramati in the month of June 1962, later named Tuljaram Chaturchand College of Arts, Science and Commerce. Now, it has more than 10,000 students and almost 320 faculty members. The society also runs another degree college named Jaysingpur College, Jaysingpur, Dist. - Kolhapur, Anekant Institute of Management Studies (AIMS) as well as Anekant English Medium School at Baramati.

The Society also established the Centre for Innovative and Applied Research (CIAR) for fundamental research in the areas of current significance. Moreover, the society added a few more feathers to its cap by starting College of Pharmacy (AESCOP) at Baramati which includes Diploma in Pharmacy (D. Pharm) & Bachelor in Pharmacy (B. Pharm). Anekant Education Society is run by Jain community and has been catering to the educational needs of the minority students and others, hence, has been given 'Jain Religious Minority Institute' status by the Government of Maharashtra.

Shri. Milind Shah (Wagholikar) - Secretary

Anekant Education Society was established in 1961 to provide students with an avenue for higher studies. Late Fulchandji Gandhi laid the foundation stone of the society and later Late Lalchand Hirachand, Late Jambukumar Chandulal Shah (Saraf) and Late Shashikant Shah (Lengarekar) all held the esteemed position of being the Chairmanship of the Society.

I am happy to communicate to all that Tuljaram Chaturchand College of Arts, Science & Commerce began its journey in 1962 with 119 students. Today it caters to more than 14000 students in different faculties and courses.

We are aware that Indian society is changing its shape rapidly as it faces globalization. This is putting more pressure on higher education but also creating several new avenues of opportunities for our students. Our society has taken upon itself the task by accepting this challenge and is now running several professional and vocational courses along with our regular Under-graduate and Post-graduate programmes. It is our pleasure to announce that the college has received NAAC 'A++' grade at its third cycle of reaccreditation and recently also achieved an 'Autonomous Status' from UGC. This has given us a new platform of academic freedom to tune our syllabi with the current requirements of the industry and society as well.

I am sure that the students of the current and future generations will now be competent to face new challenges and also be ready to grab all the opportunities that come their way. Surely, this will lead to shaping a new vibrant India.

I heartily welcome students of College of Pharmacy to our campus and endorsing his/ her journey of progress and success.

I wish all the success to my fellow students.

Dr. Darshan Vinod Shah - Principal, AESCOP

Welcome friends,

With the motto of 'Siddhiranekantat', we will strive to contribute to the nation-building ideals by empowering youth through education.

We are loyal to nurturing an effervescent and comprehensive learning atmosphere that inspires excellence in education, research, and professional development. Our primary goal is to prepare our students with the knowledge, skills, and ethical foundation necessary to outclass in the dynamic field of Pharmacy.

After Covid-19 rapid growth and transformation was brought in the healthcare system to encash this opportunity our curriculum is planned to acclimate to these changes, assimilating scientific research and pioneering teaching methods. We focus a 'Student-centric' attitude, where active learning, critical thinking, and creativity are at the lead. This approach will prepare our graduates to face challenges uncompromisingly and to become front-runners in their profession.

Thank you. I welcoming you to our campus and countersigning your journey of growth and success.

Excellent Career Opportunities

Our students are prepared for diverse and rewarding career opportunities in the healthcare and pharmaceutical sectors:

- Pharmaceutical Industries
- Quality Control & Quality Assurance
- Pharmacovigilance
- Medical Coding
- Medical Representative
- Clinical Data Management
- Pharmacist Government Hospital
- Medical Scribe
- Hospital & Clinical Pharmacy
- Research & Development
- Regulatory Affairs
- Entrepreneurship
- Drug Inspectors
- Railway Hospital Pharmacist
- Academicians - Pharmacy Teacher
- Formulation and Development

Prime Educational Location

Located in Baramati, a renowned educational hub, AESCOP provides an ideal academic environment with excellent connectivity, modern educational facilities, and opportunities for professional growth.

- Educational Hub with Academic Excellence
- Well Connected & Easily Accessible Campus
- Safe, Peaceful & Student-Friendly Environment

Our Mission :

To provide quality pharmacy education with ethical values, practical skills, research orientation, and professional excellence for the betterment of healthcare and society.

- Quality Education
- Ethical & Professional Values
- Practical & Research-Oriented Learning
- Commitment Towards Healthcare & Society
- Join AESCOP – Build Your Future in Healthcare
- Transforming Aspirations into Pharmaceutical Excellence.
- Empowering Future Pharmacists with Knowledge, Skills & Innovation

- Anti-Discrimination Cell

Why AESCOP ?

Modern Infrastructure & Advanced Laboratories

AESCOP provides state-of-the-art facilities to ensure quality learning, practical exposure, and research excellence

Well-Equipped Laboratories

Advanced laboratories designed for hands-on practical training and experimentation.

Digital Classrooms

Technology-enabled classrooms for interactive and effective learning.

Central Instrumentation Facilities

Modern analytical instruments for advanced pharmaceutical research and analysis.

Digital Library & Reading room

High-tech Digital Library and Reading room

Computer Laboratory

High-tech computer facilities with internet-enabled learning support.

Seminar Hall

Dedicated space for seminars, workshops, guest lectures, and academic events.

Model Pharmacy

Real-time pharmacy setup for practical dispensing and patient counselling training.

Co-Curricular & Extra Curricular activities in AESCOP

• Research-Oriented Learning Environment •

A strong culture of innovation, research, and scientific development.

• Industry-Oriented Learning •

- Industrial Exposure
- Research Culture
- Skill Development
- Career Readiness

The institute emphasizes practical knowledge, professional exposure, and skill Enhancement through industry-focused learning activities:

• Industrial Visits •

Regular visits to pharmaceutical industries for real-time industrial exposure and practical understanding.

• Guest Lectures •

Expert sessions by academicians, researchers, healthcare professionals, and industry experts.

• Workshops & Seminars •

Interactive workshops and seminars to enhance technical knowledge and professional skills.

• Training Programs •

Hands-on training programs focused on industry requirements and career readiness.

• Research & Project Activities •

Encouraging innovation, mini-projects, research work, and scientific presentations.

• Skill Development Initiatives •

Activities designed to improve communication, leadership, employability, and professional competencies.

• Career Guidance & Professional Development •

Continuous mentoring and career support to prepare students for opportunities in healthcare and pharmaceutical industries.

• Outreach Activities & Field Visits •

Regular industrial visits, hospital visits, community outreach programs, and educational field visits are conducted as per the academic curriculum to provide practical exposure and real-world learning experiences.

• Student-Centric Environment •

We believe in the holistic development of students by creating a supportive, disciplined, and growth-oriented learning atmosphere

- Mentorship
- Personality Development
- Extracurricular Excellence
- Safe Campus Environment

• Parent-Teacher Meet •

Strengthening communication between parents and the institution for students' academic growth and overall development.

• Academic Mentoring •

Personalized guidance and continuous academic support for student success.

• Personality Development •

Activities focused on communication skills, confidence building, leadership, and professional grooming.

• Cultural & Sports Activities •

Encouraging participation in cultural events, sports, and extracurricular activities for overall personality enhancement.

• Career Guidance & Counselling •

Regular counselling sessions, career planning support, and professional guidance for future opportunities.

• Safe & Disciplined Campus Atmosphere •

A secure, inclusive, and student-friendly campus that promotes discipline, ethics, and positive learning.

• Student Support and Motivation •

Continuous encouragement through mentoring, interactive learning, and student welfare initiatives.

• Research and Innovation Culture •

AESCOP promotes a strong culture of innovation, scientific thinking, and research excellence among students and faculty members to meet the evolving demands of the pharmaceutical and healthcare sectors.

• Research Activities •

Encouraging students to participate in research projects, scientific presentations, and innovation-based learning.

• Innovation & Scientific Thinking •

Fostering creativity, analytical skills, and problem-solving abilities through practical and research-oriented education.

• Project Development & Publications •

Supporting students and faculty in project work, research publications, and academic excellence.
